A voluntary permanent supportive housing (PSH) service designed to provide necessary supports and services in your home and the community. Recovery-based approaches create opportunities to feel empowered and confident in maintaining the housing of your choice. The In-Home PSH team works 24/7 to offer support and flexibility when you need it the most. Some of the ways we can offer support are:

- Assistance in finding affordable housing
- Discovering and building strengths
- Learning effective coping skills
- Life management skills training/independent living skills
- Connecting with community activities related to member interest
- Resource identification, application, and connection
- Peer support

**IN-HOME COUNSELING**

In-home therapists provide short-term, strengths-based counseling to help you cultivate your potential, reach your goals, and experience independence.
